

YARRALINDA SCHOOL

"Learn Differently & Effectively"

"Whatever the mind of man can conceive and believe, it can achieve"-Napoleon Hill

Learning Through Play- At Yarralinda our students enjoying play based learning. They work in groups creating diorama's, they make characters and show how they would like to be treated and how they can treat others well.

"The things I want to know are in books; my best friend is the man who'll get me a book I ain't read"-Abraham Lincoln

Read Through Play-we let reading be a pleasurable experience through play, and it certainly keeps the smiles going and the words flowing!

"The artist injects the spirit of life into the culture"-L. Ron Hubbard

Learning Art Through Fun- Truly there is nothing more satisfying than seeing art connect with a person and inspire more creation! To help inspire this creativity we take students to different art museums where they can touch, feel, experience and ask questions which our teachers and wonderful guides answer with passion and enthusiasm.

"When I say to a parent, 'read to a child', I don't want it to sound like medicine. I want it to sound like chocolate"-Mem Fox

Creating interest for reading- To create an interest we celebrate one whole week as a book week each year where students can meet an author, dress as a favourite book character, share their favourite books etc. etc...

"Sports do not build character, They reveal it"-John Wooden

Sporting Active Kids- As per the study of American College of Sports Medicine kids who took physical education during the school day do better academically. At Yarralinda we thoroughly agree and in our curriculum we have different sporting activities to keep our students interested and active. We always encourage them to take an active part in a wide range of sports- i.e. swimming, basketball, football, hockey, and table tennis.
